Jagalan is an historical Keluharan located near the center of the city. It is bordered by a railroad and a large commercial road. The Boro River runs through the center of the Keluharan. Most residents are laborers and work nearby.

This Mini Atlas collects information about Jagalan so everyone can see and understand what is going on. Information about the condition of services can help people discuss what they want from the annual participatory budgeting process, musrenbang. Our goal is to make citizens more informed about their communities.
